

**ST. CHRISTOPHER - ST. MARGARET MARY'S
BASKETBALL
(Grades 3rd - 6th)**

Dear parents,

We are again offering a 10 session, hour and a half Saturday morning basketball training program for **grades 3rd-6th grade**. This program will give your child the opportunity to work on their individual basketball skills, reinforcing fundamentals and running drills in order to improve themselves. Much like summer basketball camp!

Why is this an important program for your child to participate in (in addition to CYO)?

CYO coaches have limited practice time and need to concentrate on teaching team concepts and preparing for the upcoming games. During their one hour practice session there is not enough time to concentrate on every child's individual skills. In order for your child to better their own game they need to work on these skills on their own. In other programs on Staten Island, intramurals is a mandatory program in order to play CYO ball. Our program is offered at low cost to you to benefit your child's skill development and continue to keep our CYO teams competitive. Although this is not a mandatory program, we encourage everyone to participate whether you are playing CYO ball or not. Your child will enjoy the fun games/drill/contests while developing their individual basketball skills!!

Registration for this program will be held on **Friday, September 23, 2016 at 7:00 p.m. – 8:00 p.m. in the School Gym.**

Please bring with you the following documentation to register your child:

1. Registration Form
2. Current Medical Form(unless provided in CYO registration)
3. Fee (make checks payable to the St. Christopher's) \$90.00 per child includes reversible jersey.
